Local Mortgage Company “Pays It Forward”:

Woodbridge Mortgage Employees Volunteer at Mission

Grand Rapids, MI, May 5, 2008 - - Woodbridge Mortgage Corporation will close the office for a day and the entire office will volunteer at the local mission, God’s Hands, on May 14. Woodbridge Mortgage’s 50 employees will work in the mission’s soup kitchen and donation center. Employees will serve soup kitchen patrons, and sort and pack donations.

Woodbridge has an annual Volunteer Day in which all employees receive a paid day off to participate in a local charity. Last year, employees spent Volunteer Day working at the Harvest Food Drive. Every employee, including the company president, participates in Volunteer Day.

“Woodbridge is a part of the West Michigan community. We feel it is important to help where the need is greatest. The goal of Volunteer Day is to have Woodbridge work as a united force to serve the community and inspire employees to make volunteer work a regular part of their lives,” says Woodbridge Mortgage President Michael D. Lewis.

Volunteer Day 2008 will begin with donations. Woodbridge employees will bring donations of food and clothing to God’s Hands. Woodbridge Mortgage Inc. will also donate \$1,000 to the mission.

About Woodbridge Mortgage Corporation

Woodbridge Mortgage Corporation, a leading Michigan mortgage provider, is a full-service mortgage lender that originates, processes and services Conventional, FHA, VA and Rural Housing loans. Since 1965, Woodbridge has helped thousands of Michigan residents buy homes. Woodbridge has offices in Grand Rapids, Kalamazoo, Lansing, Southfield, and Detroit.
